

A circular diagram representing a label template. It features a central white circle with a dashed blue and red border, indicating a punch hole. Surrounding this is a light green area with a white spiral line. The outermost ring is pink, also with a dashed blue and red border. A vertical double-headed arrow passes through the center, with the text '100 mm' placed next to it. Various text instructions are scattered throughout the diagram.

**Please also fill the pink sections  
with your design. The white part  
becomes the final label.**
