

A circular diagram showing the layout of a label. It features a pink outer border, a white inner circle, and a light green background with a white maze-like pattern. A vertical double-headed arrow spans the diameter of the white circle, labeled '92 mm'. A dashed blue circle is centered within the white circle. A smaller dashed blue circle is centered within the dashed blue circle. Arrows point from text labels to these dashed circles. The text labels include instructions on bleed, final format, file naming, and punch hole specifications.

Please also fill the pink sections
with your design. The white part
becomes the final label.

BLEED: 5 mm
